

# KITTY YAU

## WEB DEVELOPER

I'm an adaptive and detail-oriented team member who never shies away from hard work and new challenges. I've always been fascinated with languages, both programmatic or otherwise, and have resigned myself to my need to be a lifelong learner. When not coding, you can find me wandering around with my nose in a book.

### RECENT PROJECTS

#### WORDPLAY | JAVASCRIPT & API

A beverage-themed word game based on the Oxford English Dictionary API.  
See more: [kittyau.com/wordplay](http://kittyau.com/wordplay)

#### DON'T SWEAT IT | REACT & FIREBASE

A web app to track a user's daily, weekly, and monthly tasks.  
See more: [kittyau.com/dont-sweat-it](http://kittyau.com/dont-sweat-it)
